Client Appreciation Event

Friday, February 3rd 2012

VistaTech Center
Schoolcraft College

Key Note Speaker: Dr. Peter Harnois

“Emerging & Effective Technologies to Separate Your Practice From the Pack”

Want to produce more, do better dentistry, motivate your team and staff, attract new patients, offer services that will brand your practice as the place to go? Then join the digital revolution that is here in dentistry. It is the time to take your practice to the next level.

Dr. Peter Harnois will give you a day of fun, informative ideas and topics that you will take back your office and have it work to your advantage immediately. Not just a pearl or two, but serious information that can change how you operate day to day. He wants you to make more money while doing better, safer, and faster dentistry.

Other Speakers & Topics:

George Alioto: “What’s New at the Lab”

Mike Browne: “Precise Fit Valplast Partials”

Michael Alioto: “Michigan’s Economic Report”

Bea Harnois: “The Top 3 Criteria for a Successful Dental Website”
