

**Minimally Invasive Veneers**

With Dr. Peter Harnois  
Friday, December 2nd 8:00 AM—4:00PM  
At Expertec Lab  
8 hours Participation CE

Thanks to changes and advancements in dental technology, dentists can treat patients more efficiently, comfortably and profitably. Recent advances in CAD CAM technology and material development allow us to create esthetic solutions that are more predictable and stronger than ever before.

You will learn everything you need to offer your patients Lumineers and Snap-On Smile

Wednesday, December 7  
At Expertec 6PM – 9 PM

Thursday, December 8th At Ginopolis 6PM-9PM

\$25 per person inc Dinner and 2.5 hours CE

**DON'T MISS THIS EVENT!**

**THE BIGGEST NEW DEVELOPMENT IN DENTISTRY IS TAKING PLACE HERE**

"NuCalm is changing our profession. I've used it daily for two years with great, predictable results"  
—Dr. Omer Reed

Learn what over 50,000 patients already know

NuCalm® is a revolutionary technology proven to naturally relax the body within minutes without drugs. By naturally inducing the "relaxation response" in every patient, NuCalm enables clinicians and dental teams to safely control the most complex, unpredictable, and unreliable part of dentistry—the patient.
