Introducing

FullIZ[®]

*An affordable esthetic alternative to
expensive full cast restorations*

Full contour Zirconia CAD CAM restorations are shaded and characterized. These all- Zirconia (no porcelain overlay) single or up to 3 unit posterior restorations have high strength, biocompatibility and are ideal for patients who brux and grind.

- Proven strength and durability 850 MPa
- Very gentle on opposing teeth
- More esthetic than full cast restorations

\$129 per unit
