Sustainable, and
Profitable Practice
Growth in the Covid-19
Environment**

September 16, 2021

With the stark reality of uncertainty that the last year has brought to dental practices, it is more important than ever to understand how to generate profitable growth that is predictable and sustainable. This seminar explores the 3 vital elements needed to control your growth and increase your overall profitability.

Overdenture Therapy

September 22, 2021

The zbi implant skillZ™ series allows restorative clinicians to start on the road to competency with implant-supported overdenture therapy. The curriculum begins with two (2) webcasts viewed individually or in a group, followed by skill development with hands-on exercises for learning overdenture treatment.
